

Liverpool History Competition

Liverpool History Society and School Improvement Liverpool are working together on this exciting opportunity for pupils to capture part of the city of Liverpool's history. Liverpool is an amazing city with a wealth of historical events and we are asking the children of Liverpool to research and capture this in an essay.

This competition is a fantastic platform for schools to showcase their pupil's historical research and writing skills. We are asking the young people of Liverpool to research and write about a piece of Liverpool History, pre 1970. This essay can be about any theme, such as an event, a person, an organisation or any other aspect of Liverpool history. This project can be done through a history lesson or through literacy.
